Criterion – VII- Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Weekly assembly

- a) **Goal:-** The main goal of this is to build morale & cohesion among students & staff. This increases & improves the communication, sharing-learning experiences, leading to uplift the team spirit.
- b) **Context:** - Since the college campus is vast with two buildings, a separate library block. It is difficult for students & staff to get academic, administrative information. The weekly assembly helps the students & the staff to update themselves with current affairs of the college.
- c) **Practices:** - **Class** teachers of the respective class/section give guidance to organize weekly assembly in the college. Normally, assembly begins with the prayer. Thought for the day, news reading overview of the departmental & college activities, special activity of the students for that particular period is the different follow ups of the assembly.
 - Various information regarding announcement of exam dates, last date for fees payments, scholarship, intra- inter college activities are also shared. This helps for easy tuning of the students about the happenings of the college. It is also a platform for the Principal to interact & address the students & staff.
 - The assembly gives the students an opportunity to develop public speaking skills, organizational ability & team work. This also provides an opportunity to identify talent among students.
