Feedback analysis & Measure taken report

2017-18

01. About the College

Analysis : The students have positive opinions about the various facilities available in the College and they expect more facilities in few aspects like Placement activities, Canteen and Office.

a. Placement Activities :

Measure taken: About placement activities Principal discussed with the College Placement officer to invite more and more companies to organize campus interviews. He also informed the officer to enhance job opportunities to the students and to organize training programs to the interested students to face the campus interviews. Every year Placement cell in collaboration with the Govt. Employment office has taken the initiation to organize employment campaign and skillful training programs to the students.

b. Canteen

Measure taken: Principal instructed the Manager of the Canteen to maintain cleanliness, so that Canteen facilitates quality services to the students.

c. Office

Measure taken: Some students are not satisfied with the Office service. Practically the service of Office is student friendly. However the feedback is considered and instructed the office staff to be more friendly with the students.

02.About the Course :

In general students are satisfied with their courses. But Arts students are confused about the importance of their course. They are suspicious about their course validity regarding job opportunities. Science, Commerce and Management departments students

Feedabck analysis - measure taken report

are satisfied with their courses in the present scenario. They believe that their courses provide better opportunities to achieve in their career.

Measure Taken: Senior Arts faculties have taken the initiation to inspire the Arts students by giving examples of most of the talented persons who have passed the competitive examinations are from Arts combination. This was also discussed in IQAC meeting and planned to conduct classes for competitive exams.

03.Appraisal of the teacher by the students.

As per the teachers appraisal analysis it has been noted that the students are satisfied with the teaching ability of our teachers expect few from Economics department and Computer Science department.

Measure taken : Prof. Veeranna K has been informed to teach the students according to their grasping capacity.

Kum. Shwetha Nandini is advised to enhance her teaching ability and qualities. In general all the teachers are informed to adopt best methods for teaching.

04. Parent's feedback:

Usually this feedback is taken during Parent- teacher meeting conducted by IQAC for all the streams. During analysis of parent's feedback it has been found out that they have requested for introducing more programs in Post Graduation.

Measure taken: Above requisition is brought into the notice of the Management for further progress.

05.Alumni feedback :

The Alumni association of the College is very active as the members are organizing various activities to the students. They have positive opinions about the facilities available in the college and they are expecting Post Graduation courses in some subjects. They also suggested to start Job Oriented Courses. They recommend to upgrade the Library in to Digital Library. The members also opined to increase sports activities in the college.

Measure taken: Requisitions are considered for action and brought into the notice of Management.
