## **Alumni Association**

## **About Alumni Association**

The Alumni Association of our college serves as a platform to bridge the gap of student – alumni interaction by providing diverse tangible benefits including career services, networking opportunities, special events and lectures and opportunity to connect with and inspire students and graduates that shall ensure the upliftment of both present and future alumni with support to build a social, knowledgeable and motivational capital for the college and its students.

The effectiveness of any institution depends on the role of its stakeholders. Our College is privileged to have its Alumni with strong loyalty to the institution, who are spread across the globe. The Association conducts regular meetings to discuss and deliberate upon the ways and means through which it can contribute to the overall development of the college.

### **Purpose and Goals**

1. To connect the existing students and alumni in career planning and placement.
2. To promote exchange of academic and corporate experience with the students of the college.
3. To advise and conduct activities that shall motivate and upgrade student skill sets.
4. To collaborate with the College in organizing academic and cultural festivals, seminars, workshops and to be a part of academic progress of the students.
5. To be mentors for current students and guide them in career planning and entrepreneurial development.
6. To contribute to the poor students through raising funds as a token of charity.

### **The Alumni Association conducts the following activities on regular basis:**

- Communication with the members of the Alumni Association and the Institution keeping mutually informed the developments on both sides.
- Organizes social, educational and networking events locally at the Institution/institute levels.
- Provides continuing educational enrichment experience for alumni and students.
- Undertakes activities contributing to improvement of infrastructure and academic activities in the Institution.
- Helps the students to look upon the alumni to become a responsible citizen. Conducts periodical meetings for fulfilling the various objectives of alumni association.
- Raise funds for promoting objectives of the association.
- Conducts various activities that help in the career and competitive examination guidance to the students.
- Helps to fulfil the Institution's social responsibility by conducting various donation activities for the welfare of the students and the community.
- Helps the Institution in its development through the means of financial contribution.
