Report On Programmes Conducted By Post Graduate  
Department of Commerce

In the beginning of this academic year 2019-20 our department arranged a programme for M.Com students to visit NGO. Students having in their syllabus a subject called Management of Non Profit Organisation as a soft core subject. In order to get the practical experience about NGO management and their field work, our department arranged visit for our students on 22<sup>nd</sup> August 2019.

J.S.S.P.G Center Chamarajanagara  
Visit to Adamyia Chetana  
22.08.2019 2019-20 IIM.COM

Students have visited two NGOs in Bangalore that is Adamyia chethan which was started by Sri. Ananth Kumar and Smt. Tejaswini Anathkumar. Another NGO is ISKCON. Both the NGOs are working with aim to serve the society and also providing Anna-Akshara -Arogya. Under this vision they are providing Mid-day meal to the government school children. And along with this they are conducting various environmental protection awareness programmes. This was a very informative and useful visit.

### Report on NGO Visit

II M.com students are having in their syllabus a subject called MNPO as a soft core subject, in order to get the practical experience about the NGO'S on 22<sup>nd</sup> August 2019, 2<sup>nd</sup> M.Com students were taken to NGOs visit to Bangalore. First visit was made to ADAMYA CHETHANA NGO which was started by Sri. Ananthkumar and Smt. Tejaswini Ananthkumar. The main aim of this society is to provide ANNA-AKSHARA-AROGYA. Under this vision the foundation is providing mid-day meal to the Government school children's for more than 50,000 students every day. While preparing food they are maintaining very hygienic and zero garbage kitchen. They are reusing the kitchen waste as fuel for their cooking. Even the waste water from the kitchen was using for plantation purpose. Along with is programme the institution also conducts various environmental related programmes to create awareness among the public to protect the environment. They are also conducting programmes about micro plastic causes and their prohibition and every Sunday they will be having Green Sunday programme to plant the saplings. Adamyā Chethan is also conducting health camps in villages for children and public, especially having concern for women health care. On the day of visit our students got an opportunity to meet Smt. Tejswini Ananthkumar. Madam interacted with students and she enlightened the students regarding protection of our environment, how to be socially responsible and she also suggested the students to conduct the programmes for social welfare. College has also formally given a letter for MOU with ADAMYA CHETHANA. After the Adamyā Chethan visit we visited another NGO situated in Bangalore that is ISKCON. First we visited temple after that representative of ISKCON gave details about establishment of ISKCON. After that he took us to visit Akhaya Patra. In this section ISKCON prepares food for government school children for more than 1, 00,000 students per day. Along with this NGO is also spreading our culture and heritage across the world. These NGOs visit was very informative oriented this has created the opportunity for our students to know about the organisations, their management process and other activities which are carried out by the organizations with the intention to serve the society.
