The vote of thanks was given by Kum, Sariya and anchored by Priya S final B.Com student and concludes the programme.

About Campus Drive:-

On November 5, 2024, a campus recruitment drive was conducted by ICICI Bank in collaboration with the Placement Information and Career Guidance in association of Internal Quality Assurance Cell (IQAC) of the institution. The event aimed to provide placement opportunities and career guidance to students, particularly those in the final year of their academic programs.

Objective:

The primary objective of the campus drive was to facilitate the placement of students into roles within ICICI Bank and offer them a platform to understand the recruitment process for such prestigious positions. Additionally, the IQAC aimed to ensure that students were adequately prepared for corporate expectations by integrating placement activities with career counseling.

Key Highlights of the Campus Drive:

1. Pre-Placement Orientation:

A detailed pre-placement session was organized where representatives from ICICI Bank provided insights into the bank's work culture, job roles, and growth opportunities. The session also included an overview of the recruitment process, which consisted of online assessments, group discussions, and personal interviews.

2. Eligibility Criteria:

Students from various disciplines, especially those pursuing degrees in business, finance, and economics, were eligible to apply. A minimum academic requirement was set, and students with consistent performance across their semesters were encouraged to participate.

3. Application Process:

Interested students were required to submit their resumes through the placement portal. The bank reviewed the applications and shortlisted candidates for the next stages of the recruitment process.

4. Online Assessment:

The initial round of selection involved an online assessment that tested candidates on various parameters, including logical reasoning, quantitative aptitude, and verbal ability. This was a screening round designed to assess the candidates' problem-solving abilities and communication skills.

5. Group Discussion:

Shortlisted candidates from the online assessment were invited for a group discussion, where their teamwork, communication, and critical thinking abilities were evaluated. The topic for the discussion was related to current economic trends and the banking sector.

6. Personal Interviews:

The final stage of the process was the personal interview, where candidates were evaluated on their technical knowledge, leadership potential, and overall personality. The interviewers focused on assessing candidates' enthusiasm for working in the banking sector and their long-term career aspirations.

7. Career Guidance:

Throughout the process, the IQAC team offered career guidance and counseling to students. This included one-on-one sessions with mentors, mock interviews, and advice on crafting effective resumes and cover letters. The guidance was aimed at helping students develop a professional approach to job applications and interviews.

8. Placement Outcomes:

Several students were successfully placed with ICICI Bank in various roles, including Relationship Manager, Sales Officer, and Assistant Manager. These placements were celebrated as a significant achievement for both the students and the institution.

9. Feedback and Future Improvements:

After the campus drive, students and recruiters were asked to provide feedback on the event. The feedback will be analyzed by the IQAC to improve the organization of future recruitment drives and further enhance the career support system for students.

Conclusion:

The campus drive by ICICI Bank was a successful event that provided excellent career opportunities for students while ensuring they were well-prepared for the competitive recruitment landscape. The collaboration with IQAC was instrumental in ensuring that students received the necessary guidance to perform well during the process. The placement success and the guidance offered during the drive demonstrated the institution's commitment to bridging the gap between education and industry requirements.

Totally 23 students participated in our college out of 11 candidates short listed and out of 11 05 students are qualified in the final round. The institution looks forward to further collaborations with reputed organizations like ICICI Bank to continue providing valuable placement opportunities for students.
