On behalf of the college, I extend a warm welcome to all the participants and thank the Placement and Career Guidance Cell, in association with the Internal Quality Assurance Cell (IQAC), for organizing this enlightening session.

As we all know, one of the greatest challenges facing our nation today is unemployment, particularly among the youth. Despite the availability of numerous job opportunities, many young people are unable to secure employment due to a variety of factors, such as lack of experience, skills, or financial resources. In such a scenario, initiatives like the Prime Minister Rozgar Yojana play a crucial role in providing a much-needed lifeline to the educated, unemployed youth, helping them create their own sources of income and become job creators rather than job seekers.

Objective of the Programme:

The key objectives of the awareness programme were:

To familiarize students with the Prime Minister Rozgar Yojana and its benefits.

To provide information on the loan application process, eligibility criteria, and the sectors supported by the scheme.

To inspire students, particularly those from economically weaker backgrounds, to consider entrepreneurship as a career path.

To offer practical insights into how the scheme has helped other young entrepreneurs set up businesses and contribute to the economy.

Key Highlights of the Program:

1. Introduction to PMRY: The session began with an introduction to the Prime Minister Rozgar Yojana by [Insert Name], a representative from [Insert organization/department]. The speaker provided a comprehensive overview of the scheme, which was launched to create self-employment opportunities for educated youth, especially from rural and underserved areas. It was emphasized that PMRY focuses on small-scale industries and business ventures across different sectors such as manufacturing, services, and trade.

2. Loan Process and Eligibility: Detailed information was shared about the eligibility criteria for the scheme. The speaker elaborated on the age limit, educational qualifications, and the required documentation for applying for the loan. Students were guided through the steps involved in the loan application process, including how to approach banks and financial institutions offering loans under PMRY.

3. Sectoral Opportunities: The speaker highlighted various sectors where students could apply for financial assistance under the scheme, such as small manufacturing units, retail trade, and service-based businesses. Real-life examples of successful entrepreneurs who have benefited from PMRY were shared, motivating students to explore these options.

4. Interactive Q&A Session: After the presentation, an interactive question-and-answer session was held, where students could ask questions regarding the scheme. Common queries included loan repayment structures, the support available for business management, and the timeline for loan approval. The session proved to be very informative and helped clarify doubts regarding the entire process.

5. Distribution of Informational Materials: At the end of the session, informational brochures and pamphlets containing detailed information about the Prime Minister Rozgar Yojana were distributed to the students. These materials included step-by-step instructions on applying for the loan and contact information for local branches of banks that facilitate the scheme.

Outcomes of the Program:

The awareness programme had a positive impact, with many students showing interest in pursuing self-employment opportunities under the Prime Minister Rozgar Yojana. The session was informative and helped students understand how they could avail financial support to start their own businesses. The programme also inspired many students to explore entrepreneurship as a viable career option.

The Placement and Career Guidance Cell, in association with IQAC, plans to conduct more such awareness sessions in the future to ensure that students are well-informed about government schemes that can help them achieve their career goals.

Conclusion:

The awareness programme concluded with a vote of thanks by Kum. Sariya Final B.Com student, she thanked the Guests, students, and faculty for their active participation. The session successfully created awareness about the opportunities available under the Prime Minister Rozgar Yojana and encouraged students to think beyond traditional employment.
