REPORT ON

ONE DAY WORK SHOP ON INTERNATIONAL BUSINESS MACHINES (IBM) SKILL BUILD TRAINING 14/FEBRUARY/2025

Preambles:-

The one day workshop on International Business Machine was held on 14th February 2025 at JSS College for Women, Chamarajanagara. The event was organized by the Placement and Career Guidance Cell in association with the Internal Quality Assurance Cell (IQAC) of the college. The objective of the programme was equip students with essential skills in IBM technologies, including cloud computing, artificial intelligence, and data analytics and to provide hands-on training and practical experience with IBM tools and software and to enhance students' employability and career opportunities in the IT sector.

Detail explanation of report:-

The programme started with an invocation by Kum, Shashikala and monisha Final B.Com student and Kum. Sowmya R Final B.Com student welcoming the Guests, Teachers and participants. The programme was inaugural by the Principal, dignitary guests, teachers and students by lighting the lamp at the beginning of the programme.

The principal Dr. N Mahadewaswamy in his inaugural speech motivating the students to our one-day workshop on International Business Machine (IBM). Today, we gather to explore the exciting world of IBM technologies and their applications in the industry.

In this rapidly changing world, technology plays a vital role in driving innovation and business success. IBM is at the forefront of this revolution, offering cutting-edge solutions in cloud computing, artificial intelligence, data analytics, and more.

This workshop aims to provide our students with hands-on experience and practical knowledge of IBM technologies. Our expert trainers will guide you through interactive sessions, case studies, and group discussions, ensuring that you gain a comprehensive understanding of IBM solutions.

I urge our students to make the most of this opportunity. Engage with our trainers, ask questions, and explore the possibilities of IBM technologies. This workshop is a stepping stone to a world of possibilities, and I encourage you to seize it.

I extend my gratitude to our trainers, organizers, and supporting staff for their tireless efforts in making this workshop a success.
