INSTITUTIONAL DISTINCTIVENESS

7.3.1- Portray the performance of the institution in one area distinctive to its priority and thrust

Women Self - Assurance

College aims in attaining its Vision “Aims to empower and ensure the need towards quality, Commitment and sustaining excellence in Academic and administrative performance of the college”.

On the basis of its vision and the motto of the Founder His Holiness Dr. Shri Shivarathri Rajendra Mahaswamiji- “*Holistic Development through Education*” college has designed its priority for Institutional Distinctiveness as ‘**Women Self - Assurance**’.

The objective is satisfied under four dimensions likewise Skill Development, Value Education, Social Responsiveness and Women Empowerment. College works on the One of the best managerial decision taken by the management and his Holiness is decision taken for establishing this educational institution in the Chamarajanagar. Chamarajanagar is considered as the backward district, major initiatives for the development of the district has been taken but the management has taken strong decision for giving educational facilities here. In the year 1967, few programmes were started later based on the need of the college other programmes were added like BCA and even post Graduation course like M.A in Kannada and M.Com. “Education is the manifestation of Human life”- Swami Vivekananda, if education is provided then half of the problem will be solved in strengthening the country as well as the stability in their own life. The major initial contribution by the college is towards the stabilization of quality educational facilities.

College initiates in one area each year towards the area distinctive to its trust college has organized series of programme like an agriculture awareness programme for the farmers in the locality, DeAddiction Camp for the local community, COVID awareness JATA programme the above said activities conducted under the initiative of IQAC is purely focused to the community, which is purely distinct to the thrust of the college.

College has the track record for decades together. The main intention behind the genesis of the college is to impart quality education to the rural students at affordable price which leads to the upliftment of the weaker section of the society college contribute in its own way for the development of female students, each and every activity planned, chalked out will be done keeping women as the focus. Holistic development of the women’s student fraternity is the target. Taking this into consideration women are boosted up in the way of representing themselves towards the society which intern acts as the weapon for the upliftment women should overcome all the situation without any fear, support should be given for the betterment of their well being hence women empowerment activities are done for energizing the women students. Value

education place the very important role in the Holistic development of a student without values there is no scope for the education in the form of degree imparting value education along with regular academic serves as the the base in moulding the character of an individual as well as being more responsive towards the society. If students are given value education it lies as an asset for leading their life and also serves in their career. which is at most required in the current situation. Improvisation of skill required to perform the work is very much important the college provide necessary skills development education in the form of seminar, workshop and special lecture program .If the women want to support, first she herself needs to extend helping hand for herself. she should look after herself initially and then take care of others. woman should first be self reliant and then they will be in the position to support others.Colleges has organized cluster of programs in the regard of women's self-assurance. Making women herself responsible and inculcating the habit of responsiveness make each one of them a Responsible citizen of the country.If a women is educated in the family the entire family is educated if a woman is having the quality of self assuring herself she will be the backbone and she will be uplifting each and everyone. she extends her support to each and everyone wherever, whenever required. College is having MOU with JSS Rural Incubation & Training centre, Sadhana NGO under which women self assurance programme are organized to give awareness, training and mapping the better opportunities in the future. College also gives importance for the women health under which health campus are organized special lecture programs on certain ailments is given to the students. College is unique in the way of strengthening the vision- Women Empowerment through its strong network of Aluminas, college is the trend setter as it is having the success history over 53 years where the Aluminas of our college is rendering the services in various sectors at different levels. College is having the tradition of felicitating the students who are achievers in the various areas which acts as an act of motivation for the existing ones. Various programme are planned and organized under the the theme women empowerment for their well being and self assurance.

College acts as the catalyst which facilitates the students in moulding as change makers, youth play a very important role in bringing the positive changes in the society by being an example. Youths are the main pillars of our country on which the development of the country will be set, India is considered to be as 'Youngisthan' as the youth population is in majority and the good to be implemented will be succeeded by the youngsters. The virtue of social responsiveness is planted among the students at the college level itself which grows at large in the future and ripe by giving fruitful results. College has taken major imitative in this regard. Many social responsibility activities are organized under the head NSS Unit, Red Cross, Scouts & Guides. Through these programme the sense of belonging to the society, The well being and the

wellness of the society is considered which further plays the important role towards rendering the social service.
